## More info for neighbors

- 🚧 [Use this form](#) to report to the City of Spartanburg issues such as potholes or illegal dumping within the city limits.
- 🌻 The entrance of the neighborhood needs some serious TLC. In the coming weeks, you might see neighbors in the "Special Projects" committee hard at work at the gazebo area. ## 🦋 Mosquitoes Bucket of Doom

🐝🐸🐞🦋 With spring fast approaching, please consider this **wildlife-friendly hack for killing mosquitoes**... research suggests this technique is far more effective than the “kill-all” sprays that harm all of our wild friends: [Try the Bucket of Doom to eliminate mosquitoes - Read the article here.](#) If you want to learn more about being a good steward to our local ecosystem, you can also get the Doug Tallamy’s book, **Nature’s Best Hope in our little free library at Willow Oaks Park.** & let’s try to “garden as if life depends on it, because it does”. Thank you!!!
